

Certified Producer

We herewith certify that
Serge Ferrari AG

has carried out all necessary trials, that the respective articles (semi-parts) have successfully passed all tests according to the stringent Sanitized® license standard, and that he is committed to a regular quality control program.

The company is a certified producer of Sanitized® treated articles (semi-parts) and is authorized to use the Sanitized® Quality Seal in conjunction with the promotion of the tested articles.

Urs Stalder, CEO

Dr. Andreas Muscat, Head of Sales

valid from 21.07.2014 to 21.07.2015
Date

Annex 1.5 to Certification Agreement no. 5105.08

Between

SANITIZED AG, Burgdorf, Switzerland ("SANITIZED AG")

and

Serge Ferrari AG, Eglisau, Switzerland ("Certified Producer")

Material Master Data Sheet

SANITIZED AG grants to the Certified Producer the non-exclusive and non-transferable permission to use the brand Sanitized® under the Provisions of the Certification Agreement no. 5105.08 as ingredient brand for the labelling of the following semi finished article.

Semi finished Article	
Composition of material/ Substrate	PA/PVC
Trade Name of the Article	Stamskin TOP, F4340 / Stamskin TOP FR,-FR4340 / Stamskin ZEN, F4350
Article type designation	Articles with special requirements - Group IV
Description (exact Specification of the Article)	PA/PVC coated artificial leather
SANITIZED Test Certificate Nr.	2014-0894-01

License Standard: Minimum-Requirement to the Impact/Effect

Effect	Test Method	Number of Wash- ings or other loading Tests	Minimum- Requirements after Washings or other loading Tests	Remarks
No bacteria No odor	JIS Z 2801:2011 Staphylococcus aureus ATCC 6538P	Nil	Bacteriostatic activity $S \geq 1$ Reduction $\geq 90\%$	Treated with Sanitized® PL 24-32
No mould	EN ISO 846 A&B	Nil	Growth of mould is $\leq 5\%$	Treated with Sanitized® PL 24-32

The testing and examination regarding the antimicrobial effect of the semi finished article have led to satisfactory results for both parties (see test certificates mentioned above).

If the Certified Producer changes the recipe and/or the process of the equipment, new testing and respective examination are to be made. The same applies in case of a replacement of the supplier/toll producer.

For the purpose of the continuous quality control of the semi finished article mentioned above, the Certified Producer will without further request provide SANITIZED AG with samples from the latest production batch for the execution of microbiological tests according to the Certification standard as follows.

Periodic Quality Controls

Number/Quantity	Due Date (Time Unit, Production Unit, Date)
1 / year	21.07

With the delivery of the samples, the Certified Producer mandates SANITIZED AG with the execution of the respective microbiological tests according to the costs and under the conditions of the valid and applicable price list of SANITIZED AG.
