LEATHER

Tipologia: pelle

Composizione: 100% pelle

Pulizia e manutenzione: per pulire macchie o gocce di liquido asciugare delicatamente l'area interessata con un panno inumidito d'acqua tiepida. Fare attenzione a non bagnare eccessivamente l'area, altrimenti tamponare ulteriormente con un panno asciutto. Consigliamo di non strofinare mai la superficie troppo energicamente.

Type: leather

Composition: 100% leather

Cleaning and maintenance: to clean stains or drops of liquid, gently wipe the affected area gently with a cloth dampened with warm water. Be careful not to wet the area excessively, otherwise dab with a dry cloth. We recommend never rubbing the surface too hard.
